Foreign entrepreneurs or investors, can benefit from securing a visa through **investment immigration** options just like Canada's Investor Visa programs. The Government of Canada has created various immigrant investor programs that lead to permanent residency and potential citizenship.

## What are Canada's Investor Visa and Investment Immigration Programs?

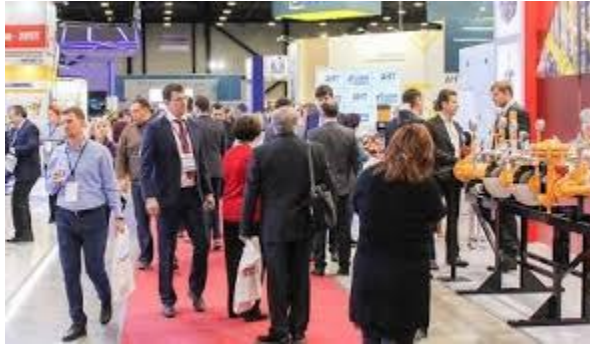

Various immigration programs in Canada are tailored to foreign entrepreneurs, investors, and companies which make applicants eligible for permanent residency.

## Canada's Federal Investor Programs

The following are business immigration programs that are created on the federal level.
